Spring Training Hits Tartarville

Baseball, like prosperity, is just around the corner. In just eight more days, the Tartar varsity will take the field against Loyola High School in a practice game, and Coach Vernon Wolfe has been busy all week working up a team between basketball games.

Taking the reins for the first time here, Wolfe is getting acquainted with such returning players as pitchers Larry Roy

Warrior Nine Wins Opener

Pitcher Donnie Young allowed only four hits last Friday afternoon as El Camino College's horsehide nine whipped Harbor Tech 5-2 on the Warrior diamond. The practice game was the first of the season for both teams.

El Camino pushed in four rallies in the first inning to start the season off with a bang. Six errors in the game chalked up to the Harbor Seahawks helped the Warrior cause along.

Score by innings:
R H E
Harbor JC 002 000 0-2 4 6
El Camino 400 100 x-5 9 1
Williams and Cisneros; Young and Garner.

Depression Hop Slated-By North Torranceites

A Hard Luck dance with prizes for the two best costumes will be held at the McMaster Park Recreation hall in North Torrance Saturday evening, February 17, beginning at 8. Members of the sponsoring Mr. and Mrs. David Dyer, members of the sponsoring North Torrance Civic Improvement Association, are chairman of the dance committee.

Hard time or no, refreshments will be served, according to the Dyers.

COACH COLE Digs Out Whistle

After a conference with Cole and High School Principal John Steinbaugh yesterday, Dr. J. H. Hull, superintendent of schools, said there would be some shifts in coaching assignments next week. The matter is being worked out now.

ROLES TO CHANGE
"We are going to give greater attention to guidance and increase the emphasis on first aid

training for the entire school," Dr. Hull said. He indicated that members of the four-man coaching staff would play an important role in these two activities.

No decision has yet been made about who is going to coach what from here on, Dr. Hull said. At the present time, Wolfe is scheduled to take over the baseball chores which were handled by Graybehl last year, while Graybehl and Welch concentrate on the track team.

GRIDDERS WAITING
Now that Cole has returned, however, some changes may be made in these assignments. It is presumed that Cole will take up where he left off with the varsity grid.

Locker-room experts were saying yesterday that this would be a good time to intensify the intramural activities to enable more of those boys who are not on varsity teams to see more competitive action.

Now in San Francisco to complete his transfer to inactive status in the Air Force, Cole is expected to return to his home at 1639 West 219th street this week-end. Dr. Hull yesterday confirmed Cole's stated wish to get back on the job Monday.

Coach Cole is being released on a dependency clause concerning the involuntary recall of reservists with several dependents.

ORDAZ BACK

Of course the Tartars will have All-Bay Leaguer Vic Ordez back in the outfield. Also returning will be Al Knappenberger, and Duane Mittan. Mittan will probably concentrate on track, however, where he is a good distance man.

A week from next Tuesday, February 17, the Tartars will meet Narbonne under the lights at the Torrance Park diamond for the baseball championship of lower Western avenue. It will be the first night game ever scheduled for the Tartars.

Sometime after the first of March, play in the Bay League will get under way. The Tartars should have a good season considering that they lost only three regulars by graduation last spring. Pitcher Wendell Vaughn, All-Bay Tad Mimura, and Rip Carlisle will not be back in uniform for the Tartars—however, the rest of the squad will, Sounds good.

DEE WHILKERS... Forward Bob Guerra, whiz bucket-maker on the Tardees, here races two Bellflower Dees to the basket. He should have taken it easy, though. He missed.
